

REEMPLOYCT LAUNCHES JULY 5, 2022

The Transition is Underway

[ReEmployCT](#), Connecticut's new tax and benefits system, launches Tuesday, July 5, 2022, at noon. It replaces the agency's 40-year-old unemployment filing systems and will make the filing process easier for unemployed workers and the business who support the Unemployment Trust Fund.

Our records indicate that you did not file an unemployment claim for the week ending June 25, 2022. The system is currently in the transition period and will be available again to filers on July 5, 2022, at noon. If you remain unemployed during this time, you may file on or after July 5 for one or both weeks—the week ending June 25 and the week ending July 2—at that time.

You will need to create a new username and password to access your account in the ReEmployCT system. The first time you log in, you will be prompted to create these credentials and then will sign in using the new username and password. Additional information is found at www.ReEmployCT.com

The [Consumer Contact Center](#) is available to answer any questions you may have.
